

521

REVISED FORM OF EXECUTIVE ENGINEER'S PASS BOOK.

To—District Treasury Officers, Circular No. 1126, dated 19th June 1874.

I have the honor to intimate the despatch by Anche to your address of two copies of a new form of Treasury Pass Book for your transactions with the Executive Engineers, of the Roads and Tank Division respectively, in connection with credit orders only, and to request that you will be good enough to substitute the form for the one now in use in your Treasury from 1st July 1874. The Executive Engineers have been supplied with copies by the Controller, Public Works Accounts, by whom the form has been prepared in consultation with this Office. The Executive Engineer's copy should be written up as usual whenever sent to the Treasury, and returned to him. The object of the form is to afford a ready means of ascertaining the balances remaining of letters of credit at the District and the several Taluk Treasuries at which funds have been placed at the request of the Executive Engineers. Your monthly certificates of credit should exhibit each balance separately to admit of their being verified by the Executive Engineers.

The book provides one column for the District Treasury and three for Taluk Treasuries in each page, and if funds be allotted to more than three, it will be necessary for you to enter the allotments and the corresponding payments in the next half page. The space in the form should be economized by close and neat writing.

H. HUDSON,
Dy. Acctt. General in Mysore.

PUBLIC WORKS DEPARTMENT.

MEDICAL DEPARTMENT.

NOTIFICATION.

The 19th June 1874.

Notice is hereby given that about 12 vacancies in the grade of "Native Medical Pupil," Subordinate Medical Department of the Mysore Government, are about to be filled up, to be eventually drafted into the Junior Department of the Madras Medical College.

2. Candidates must not be below 15 nor above 19 years of age, and they must produce testimonials as to character, and certificate of age, vaccination, and physical fitness for public service, signed by a Commissioned Medical Officer of the British or of the Indian Establishment. Preference will be given to the sons of individuals in the service of Mysore and Coorg Commissions.

3. The following is the standard of examination:—

(a.) A portion not exceeding 30 lines in length, selected from a standard English author, will be given as an exercise in dictation. Twenty errors in spelling (exclusive of technical and other unusual words, which will not be counted) will exclude the candidate from further competition. Bad marks will be assigned to defective handwriting.

Candidates will also be examined in the meaning of words and phrases, in grammatical construction of sentences, and in grammar generally.

Candidates will further be required to translate into English a short exercise in their own vernacular, and to translate into their own vernacular a short exercise in English.

(b.) The leading facts of the History of India.

(c.) The Geography of India.

(d.) The first four rules of Arithmetic, and vulgar and decimal fractions.

(e.) To read and write their own vernacular with fluency and accuracy.

4. Applications in the annexed tabular form for admission to this examination, with certificates prescribed in para 2, must be sent to the Deputy Surgeon General, Indian Medical Service, Bangalore, on or before the 20th August next.

5. The examination will be held on the 1st September next, and will be conducted by means of printed papers prepared by the Deputy Surgeon General, in communication with the Director of Public Instruction in Mysore.
